

## JOB DESCRIPTION

### JOB INFO

<b>Job Title</b>	Sales Support ( <b>KITCHENS</b> Design)
<b>Department</b>	Finishing Products
<b>Job Reference #</b>	FPDSS
<b>Job Location</b>	<b>ABU DHABI</b>

### ABOUT THE COMPANY

Rimal Engineering Products (Rimal) was founded in 1988 in Abu Dhabi, and it has helped suppliers and manufacturers of construction materials and chemicals develop and build their brands and gain a foothold in the UAE market ever since. Rimal is Abu Dhabi's premier developer and distributor of construction and building materials, with clients across the Middle East. The past two decades has seen the company develop strong partner relationships with all major construction companies across the region, and it is renowned for its honest, professional around-the-clock customer service.

Rimal Engineering Products is looking for a suitable candidate to fill a position in the sales support division.

### THE ROLE

- Study inquiries; prepare costing, quotations and submittals.
- Take measurements on-site.
- Design and drawing of **KITCHENS** using AutoCAD and Carat.
- Monitor the delivery of kitchens and supervise the on-site installation.

### REQUIREMENTS

#### IF YOU DO NOT HAVE THE BELOW REQUIREMENTS, DO NOT APPLY!

- BA in Interior Design or Business Degree with knowledge in AutoCAD drawing and design.
- Two years experience in Sales Support of **kitchens** sales.
- Proven experience with monitoring on-site delivery and installation of kitchens.
- Good command of English (oral & written).
- Knowledge in the construction material field and its trends.
- Hard working & energetic.
- U.A.E. driving license.

**Please quote the above mentioned Job Reference # in your application.**
